Get the most out of your account

Whether you're a regular customer or just getting started, linking your account to Heatpunk is the best way to simplify your work.

Heatpunk generates a complete kit list based on your design, including the heat pump, cylinder and heating ancillaries. You can see the kit list on the project **overview page** for each of your projects.

Add to cart in one-click

Just click **Add to cart** and we'll take you to the Midsummer Wholesale website and load all the products into your cart.

You can then:

- Place an order.
- Save cart as a quote to come back to later.
- Add or remove items and change quantities.
- Combine saved quotes to order kit for multiple projects.

Connecting your accounts

To make sure your pricing is accurate when designing, you can link your Midsummer and Heatpunk accounts.

- **If you already have a Midsummer account**, just [follow these steps](#).
- **Don't have an account yet?** [Apply here](#) to see our full range of kit and unlock trade-only pricing.
- **Have an account but haven't used it lately:** Get in touch with our team and we'll make sure you're getting the best pricing we can offer. [Email our sales team](#) or call 01223851535.
