

Connecting to Midsummer

Connecting your Heatpunk account to your Midsummer Wholesale account will allow Heatpunk to set its prices to your wholesale price level. This means you do not have to make changes to your goods prices in the financial task except for custom components.

To connect your wholesale account:

1. Navigate to **My account > Preferences > Connect to Midsummer**.
2. Input your Midsummer Wholesale email address and password and click 'Connect' to link your account.

Your browser may auto-fill with your **Heatpunk** email and password, please ensure you are using your **Midsummer** details.

3. Your account will then refresh and your wholesale prices will apply.
